

School of Physical Sciences
Amrita Vishwa Vidyapeetham

The various programmes offered focuses on the holistic development of a person by imparting quality education with an emphasis on education for life. The Mission of the University is to mould an individual with various skills which will be a strong partner in nation-building.

SASTRAMRITAM 2023

Sastramritam, the annual science day celebrations of School of Physical Sciences, Amrita Vishwa Vidyapeetham, Kochi Campus, conducted as a part of the National Science Day celebrations to commemorate the discovery of the **"Raman Effect"** by renowned scientist **Sir C.V. Raman**.

The celebrations are intended to raise awareness about the importance of science in daily life, as well as to recognise all activities, projects, and achievements in the field of technology that benefit humanity.

Sastramritam 2023 celebration will include talks by eminent speakers, science exhibitions, Inter collegiate science quiz, seminars, debates, and a variety of other activities, organised jointly by the **Department of Mathematics** and **Department of Sciences** under the **School of Physical Sciences** at Amrita Vishwa Vidyapeetham, Kochi Campus.
